RINK ROTATION - 2023

The Committee considers that it is important that the direction of play is changed regularly and on different colours to ensure no rink is overplayed. It will therefore be played shortways (from cricket ground to tennis courts) on Mondays to Wednesdays and longways (from the patio) on Thursdays to Sundays. The rink colours, green and red, will be changed on alternate weeks.

For anyone who wishes to book a particular rink and colour for an important match they will have at least 3 days every 2 weeks to do so. Under no circumstances can the rinks be changed unless specifically agreed by the Facilities Manager, Doug Powell, and then only in very exceptional circumstances.

The weeks when the colours will be used are as follows:-
